

PARK DALE LANE ELEMENTARY SCHOOL

Back to School Student Supplies

The following is a list of supplies recommended by Park Dale Lane grade level teachers. Although teachers may request “class” specific donations, these basic items might be helpful for you to obtain prior to the start of school in August. While these supplies are not required, if you can furnish them your generosity would be greatly appreciated. If you have any questions about the supplies, your child’s teacher can provide support when school starts.
