School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (Most Recent Year)

El Camino Creek is a school in which children from all backgrounds excel. We treat all children as gifted, building on their individual strengths by integrating technology, garden, music, library, science, PE and art into the core subjects. We believe that students are most engaged when learning through hands-on experiences. We are a school in which all members of the school community contribute to the vision of their ideal school and in which they collaborate to achieve that dream. We are a school where ideas count and where students are educated for success in a global society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

El Camino Creek Elementary School provides a safe, clean environment for students, staff and volunteers. The school facilities were built in 2000 and currently include the library, multi-purpose room, staff lounge, science lab, thirty-nine permanent classrooms, four portable classrooms, and two playgrounds. Improvements made in 2011-12: Replaced worn ramps to kindergarten cottages, all doors in the office building received new safety locks so as to be able to secure doors in an intruder incident, rooms 202 and 215 and the 500 building classrooms received safety bars on doors, and the ECC garden area underwent a complete revitalization as a part of our Green Team work in 2012–13. In 2014, we are expanded the garden area further, to include new shaded areas for studying and to allow for further experimentation beds and planting.

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. District maintenance has indicated that 100% of all toilets on school grounds are in working order.

All schools within the Encinitas Union School District will have various site upgrades during the next 3-5 years based on the Capital Facilities and Technology Plan submitted as a component of Proposition P that was passed by the voters in November 2010.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents and the community are very supportive of the educational program at El Camino Creek Elementary School. Numerous programs and activities are enriched by the generous contributions made by many organizations, businesses and restaurants.

El Camino Creek Elementary School offers a variety of events, programs, and activities throughout the school year for parents to become actively involved in their child's school and education, from our annual book fair to Family Movie Nights and ice cream socials. We have a Jog-a-thon, a Dads' Club, Study Buddies, Robotics Club, Playground Partners, Odyssey of the Mind program, Garden Science using Life Lab Curriculum and many more opportunities for parents to volunteer. Parents who are interested in volunteering should contact MaryEv Betterly at maryev_betterly@hotmail.com.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15	2012-13	2013-14	2014-15

School Safety Plan (Most Recent Year)

Safety of students and staff is a primary concern of El Camino Creek Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. "3 in 1" drills (duck and cover, intruder and fire evacuation) are conducted on a monthly basis throughout the school year. Monitoring of school grounds is performed by noon supervisors and assigned staff before, during and after school. In addition, the Principal supervises the drop off and dismissal of students each day. All visitors must sign in at the office, obtain a visitor's pass and sign out upon leaving.

The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. The plan was reviewed and edited for changes in June of 2014. Components of the Comprehensive Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupil procedures, a sexual harassment policy, disaster response procedures, procedures for safe ingress and egress from school, and a dress code policy.

Professional Development (Most Recent Three Years)

In Encinitas teachers participate in professional development at least once per month. Four months are dedicated to district-wide training, while six months are dedicated to school specific training. Teachers also participate in choice and extended learning opportunities, weekly collaboration and planning, as well as individual professional development around personalized learning topics.
