School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Facility Conditions and Planned Improvements (Most Recent Year)

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. District maintenance has indicated that 100% of all toilets on school grounds are in working order.

Cleanliness at Olivenhain Pioneer is maintained by the four custodians who work at the school site throughout the week. These custodians include a full time staff member who takes great pride in the appearance of our school. This can be seen from the time you walk on to our campus. During 2010-11, the roof was repaired and a new playground was added.

All schools within the Encinitas Union School District will have various site upgrades during the next 3-5 years based on the Capital Facilities and Technology Plan submitted as a component of Proposition P that was passed by the voters in November 2010.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents and the community are very supportive of the educational program at Olivenhain Pioneer Elementary School. Numerous programs and activities are enriched by the generous contributions made by The Parent Teacher Association (PTA), and the Encinitas Education Foundation (EEF). The Carlsbad Chamber of Commerce, The Encinitas Chamber of Commerce, Kiwanis, Rotary and many businesses support OPE as well.

Olivenhain Pioneer Elementary School offers a variety of events, programs, and activities throughout the school year that allow parents to become actively involved in their child's school and education. The following are just a few of the activities and events at Olivenhain Pioneer Elementary School that are open to parents and family: book fair, family science nights, weekly school spirit assemblies, Grandparents' Day, school plays, OPE Reads Awards Assembly, Parent-Child Sweetheart Dance, musical programs, Arts and Science Attack, the Ice Cream Social, the Aloha Party and a variety show.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (Most Recent Year)

Safety of students and staff is a primary concern of Olivenhain Pioneer Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire drills are conducted on a monthly basis throughout the school year. Earthquake and disaster drills are held once each year. Monitoring of school grounds is performed by noon supervisors and assigned staff before, during, and after school. All visitors must sign in at the office, obtain a visitor's pass, and sign out upon leaving.

The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and dress code policy.

Olivenhain Pioneer Elementary School reviews the plan annually and updates it as needed. The plan was last updated in November of 2013 and reviewed with school staff and parent groups at that time. Safety meetings are held four times per year at the District and once per month at the school site. A copy of the Safety Plan is available to the public at the school office.
