

Encinitas Union Community Review of English Language Arts and English Language Development Materials

EUSD teachers have undergone an extensive pilot process for new language arts resources and are recommending the adoption of the Cengage National Geographic comprehensive materials for use with Kindergarten through Sixth grade students to include both print and digital components.

"We wanted to read more because it was so interesting,"

4th grade pilot class

Options to review the materials:

1. You may view the materials for students on line at the following link and send any input to lil.volkening@eusd.net.
<http://ngl.cengage.com/assets/html/states/ca/>
2. You may review the materials at the District Office during business hours, March 27-April 5th located at 101 S Rancho Santa Fe Road.
3. Attend either of two parent review presentations on April 17th. One at 12:30 pm- 1:30 pm at the District Office or later that day from 6pm -7pm.
